A State agency's system for financial management shall identify such unallowable costs. In addition to unallowable costs identified in FMC 74-4 the following are specifically unallowable costs for reimbursement by FNS:
- (1) Costs incurred for rearrangement and alteration of facilities not required specifically for the program;
- (2) Actual losses which could have been covered by permissible insurance (through an approved self-insurance program or otherwise).

§247.12 Program income.

Program income means gross income the State agency or local agencies earn from grant supported activities, with the exception of income from the sale of property as specified in §247.11(c)(2). Program income earned during the agreement period shall be retained by the State agency in accordance with the provisions of A-102, Attachment E and used to further Program objectives; except that interest earned on Program funds at the State or local levels shall be used in accordance with the provisions of A-102, Attachment E. A State agency's financial management system shall provide guidelines to assure that: income earned is recorded as individual transactions within the accounting records in conformance with generally accepted accounting principles for recording expenditures and revenues; and specifically earmarked Program income is used for the purpose(s) intended.
